

Recommended Access to the Washington County Fairgrounds:

From Highway 36

- **North Lot:** South on Lake Elmo Ave (County 17) to Stillwater Blvd (County 14). East on County 14 to Fairgrounds.
- **South Lot:** South on Osgood Ave (County 24), continue straight on Olinda Blvd (County 14). West on County 14 to Fairgrounds.

From Interstate 94

- **North Lot:** North on Manning Ave (County 15) to Fairgrounds.
- **South Lot:** North on Manning Ave (County 15) to 10th St (County 10). East on County 10 then North on Oakgreen Ave (County 65). West on 40th Street (County 14) to Fairgrounds.

Notes:

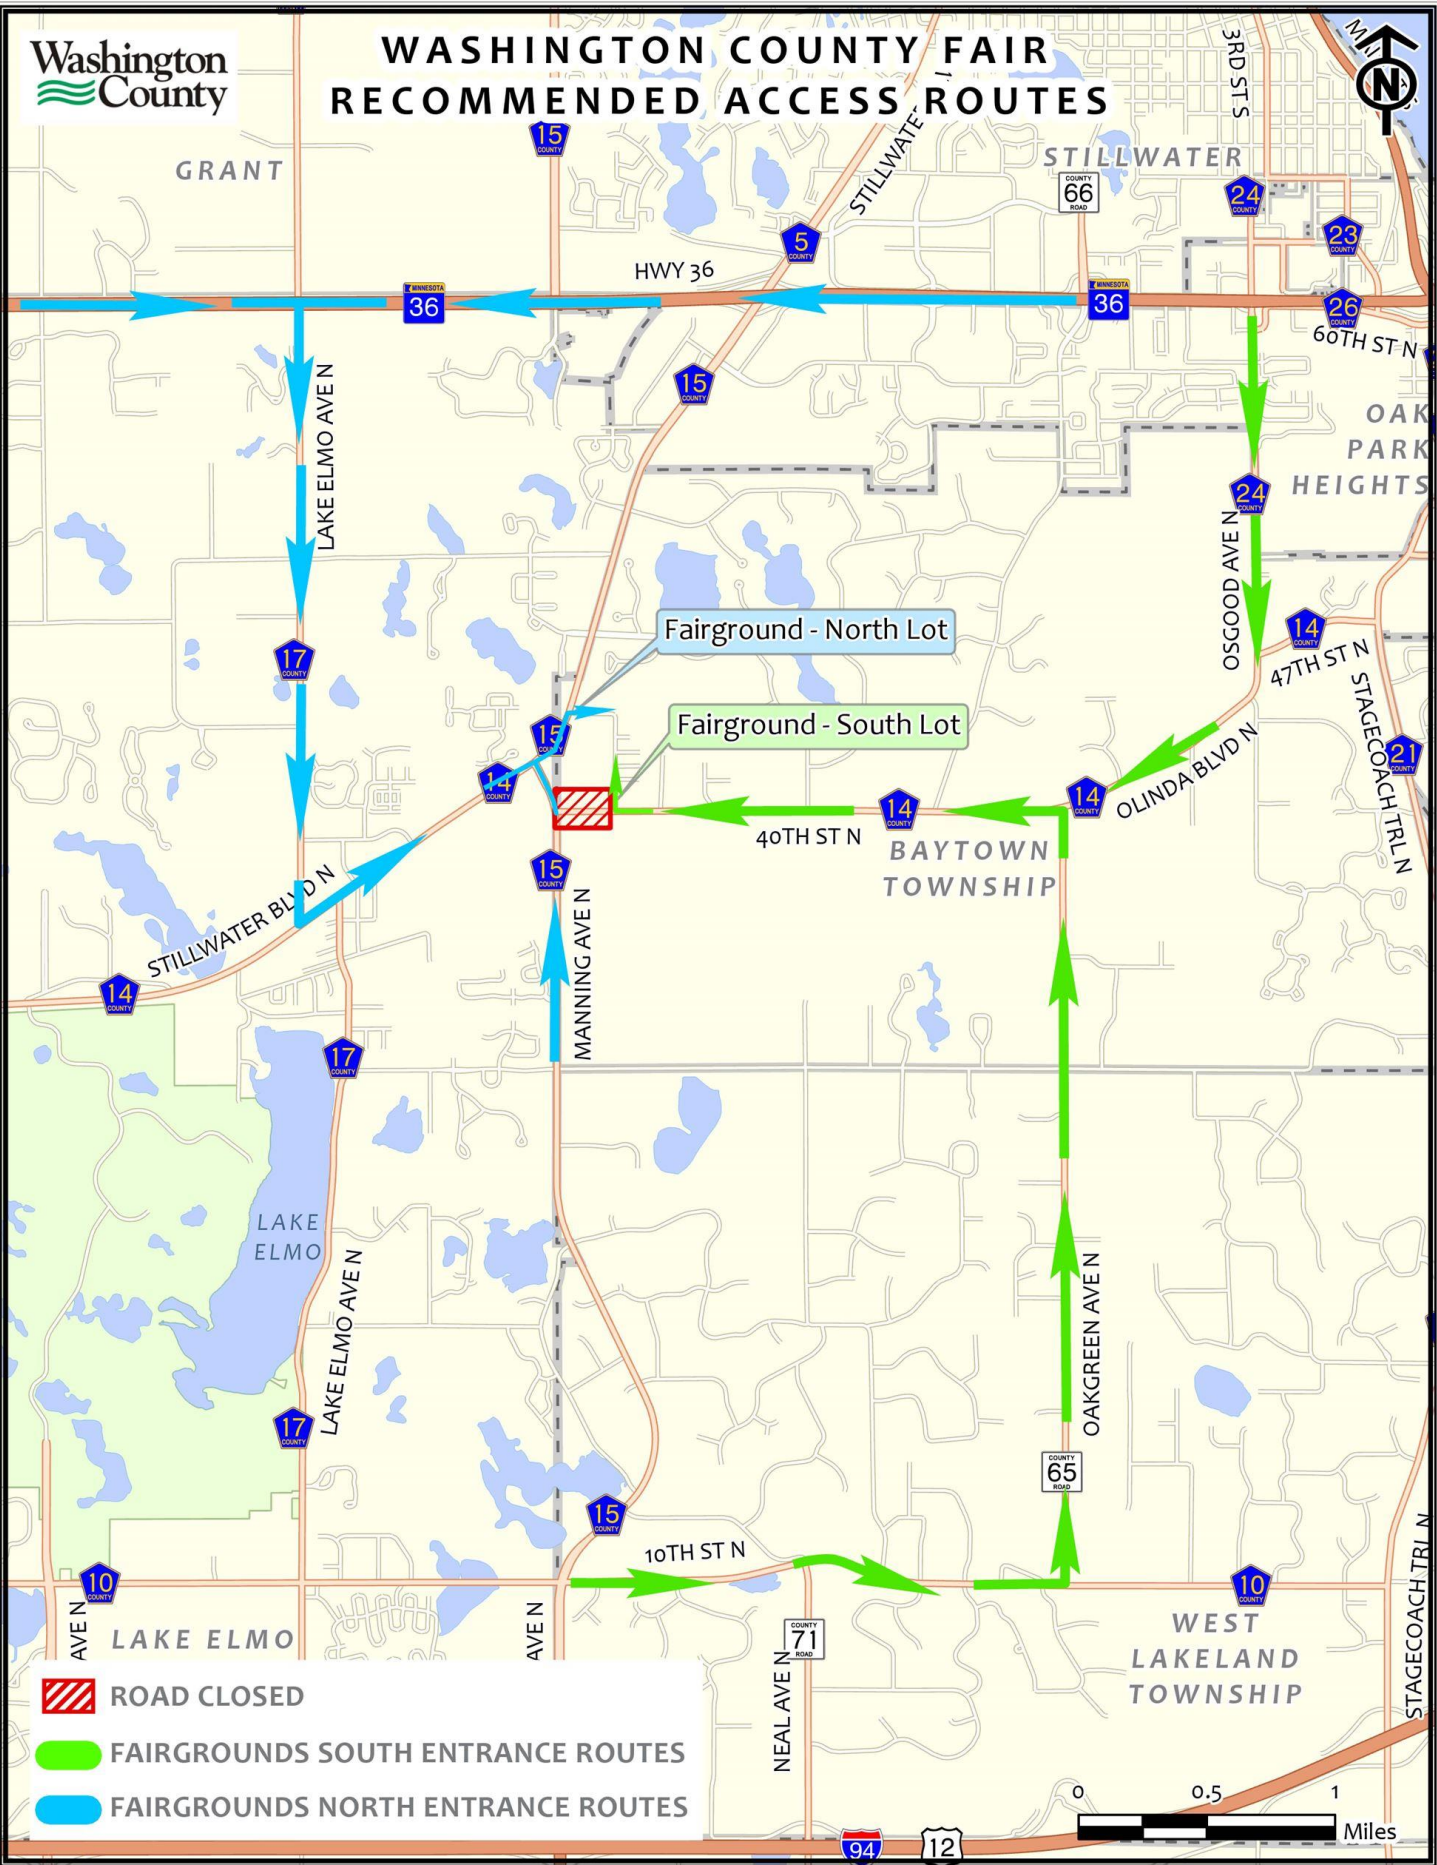

If you normally enter from Stillwater Boulevard (North Parking Lot) there are no turn lanes during the road construction. You will want to enter the fairgrounds from the Lake Elmo direction for the easiest route. **This is the Blue arrows on the first map.**

If you normally enter from 40th Street North (South Parking Lot & RV Parking) the Intersection of Manning Avenue N and 40th Street North is closed during the road construction. You will want to enter the fairgrounds by accessing 40th Street North from the other direction. **This is the Green arrows on the first map.**

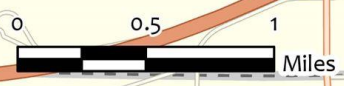

If you are leaving the fairgrounds from the North Lot but need to get to Manning Avenue N the easiest route is to follow the **Pink arrows on the second map.**
