- Judges Certificates are only handed out to the SCVKC Judges on Saturday & Sunday by the SCVKC Judges Hospitality Chair.
- It's important that the amount of the actual purchase is filled in on these Certificates by the Vendors.
- Like with the Jr. Handlers Award Certificates they will be collected and reimbursed once the "Use By" time passes on Sunday. All Certificates of any kind that you collect will be combined in one reimbursement check.
- These are only to be used at the food vendors – which will be listed on the Certificate.

- Pee Wee Certificates are given to all participants of the Saturday Pee Wee Handlers event.
- This is a free Special Attraction, Pre-Junior Showmanship class, that is geared toward children 5 to under 9 years old. The AKC set up this opportunity for them to have fun in the show ring and they are allowed to use a stuff animal or an actual dog to "show to the Judge".
- 4 vendors are selected each year to provide these participation rewards. Two with food items and two with non-food items in order to be sure to cover those that may have food allergies and to allow for the child's interest in what is offered.
- These Certificates will be collected once the "Use By" Date on Sunday has passed with a reimbursement value of \$5 each.
- These Certificates will be reimbursed to the vendors in an all-inclusive manner with any other Certificates the vendor has collected.
